25X1

1. About 500 new workers have been hired for airfield construction since 1 March. Aeroclub officers from Cottbus frequently make checks and take measurements on the field.
2. Emphasis is placed on the construction of barracks, some of which are half finished. They are located in the northern part of the field, south of the village of Raden. Further south, the area is being cleared and leveled.
3. No military personnel or equipment have arrived so far. The guards are civilian. 25X1
4. There are four military vehicles: a car  two trucks

Other vehicles at the construction site are non-military.
